

Hanslab employees participated in a Beach Clean-Up initiative at Glenashley beach, along the coast of Durban on the 03rd of June 2017. The event was held in honour of World Oceans Day.

Hanslab as a company prides itself with promoting strong community environmental practices through the company's social responsibility programme held throughout the year.

The dedicated staff are always willing to participate in such initiatives, and hopefully we are making a difference in the lives of all.

Well done Hanslab!!

Residents tackle Glenashley beach clean-up

The event was held in honour of World Oceans Day which falls on Thursday 8 June.
